KEIT

H₂ Innovation Award is a comprehensive hydrogen tech event comprising presentations and an awards ceremony, open to participation by SMBs, large enterprises, and startups. It is not a presentation as a side event of the exhibition, but an independent official award. It is an event to promote exchanges within the hydrogen industry such as hydrogen production, storage/transportation, utilization (mobility, etc.), automotive parts, IT, and services.

H₂ Innovation Award is a place to showcase new 'technologies/products' related to hydrogen industry and consists of each field of the hydrogen industry (hydrogen production, storage/transportation, utilization (mobility, etc)). By discovering innovative technologies in each field and selecting excellent companies, the award aims to create industry recognition, high publicity effects, and global business opportunities.

Join the **H₂ Innovation Award 2026** which discovers innovative hydrogen companies.

Overview

Event title : H₂ Innovation Award

Date/venue : With H₂ MEET / KINTEX, KOREA

Organizers : H₂ Global Award Steering Committee

Schedule :

Invitation/ Registration	Announcement of preliminary results	Final Presentation	Ceremony
Aug 24(Mon)-Sep 30(Wed)	October 8(Thu)	October 20(The)	Nov 4(Wed)

*The detailed schedule may change depending on the progress of the event.

Exhibits :

Category

Pitch Presentations

- Preliminaries
 - Document screening : Applications, technology/ product descriptions, etc.
 - Preliminary selection : 10 companies
- Finals
 - Eight-minute pitch and seven-minute Q&A
 - One grand prize winner,
One top prize winner in each category(3 companies),
Two preliminary winners in each category(6 companies)

Launch Exhibitions

- Tech collaborations by companies in the same field
- Discount booths for awardees
- H₂ Innovation Award Zone Exhibition promotion support

Match Networking

- Support for business mentoring and investment consulting from government agencies and investors
- Consultation with foreign buyers during exhibition period
- Offline networking event

Evaluation

Judging Format

1. Preliminaries (Document screening)

- Document screening in each category

2. Final presentation(PT) :

Presentations to the media and the public

- Media and public PT will be held for companies that passed the preliminary round
- Selection of one grand prize winner, top/preliminary prize winners according to the evaluation items
- Excellent technology introduction and public promotion support

Judging Committee

- Organizers, investors, hydrogen and automotive industry players, journalists, experts in their respective fields, etc.

Evaluation Items

Division	Evaluation Item	Point	Rating standard
Innovation	Excellence compared to other product's application technology, Self-development, etc.	25	Very good (25) Good (20) Normal (15) Insufficient (10) Very insufficient (5)
Technology	Whether the Latest technology is applied, etc.	25	
Marketability	Possibility of mass production and market entry (domestic and export) of the new technology, etc.	25	
Development	Scalability of derivative technology Possibility of grafting with other technologies, etc.	25	
Sum		100	

※ Detailed evaluation criteria is subject to change

Application

- Submission deadline: By September 30 (Wed), 2026
- Submission by email: award@h2meet.com

Ceremony

Award Type

Grand prize Winner : One grand prize winner Top prize Winner : One top prize winner in each category (3 companies)

Excellence Award Winner : Two in each category (6 companies)

Finals			
Type	Category(Number of companies selected)		
Grand prize Winner	The most innovative company (1 company)		
Top prize Winner	H ₂ Production (1 company)	H ₂ Storage & Distribution (1 company)	H ₂ Utilization (1 company)
Excellence Award Winner	H ₂ Production (2 companies)	H ₂ Storage & Distribution (2 company)	H ₂ Utilization (2 company)

Benefits for Winners (*Award details may change based on evaluation results)

Type	Grand prize Winner	Top prize Winner	Excellence Award Winner
Benefits	KRW 10 million	KRW 5 million	KRW 2 million Discount on booth rates (for next year)
All winners receive a medal and a logo of recognition on their booths.			
etc	- Publicity (news segments and interviews) - Outdoor and/or print advertising of H ₂ MEET - Winners insided the exhibition hall PR (*Award details are subject to change based on evaluation results)		

*Please refer to Homepage(guide) for other details.

H₂ Innovation Award 2025 Winner

Grand Prize Winner
(H₂ Utilization)

BTE Inc.
Hydrogen Fuel Cell Generator(GEN100)

Top Prize Winner(H₂ Production)

APGREEN Inc.
Distributed Low-Energy Hydrogen Power System
(APG-Series)

Top Prize Winner(H₂ Storage & Distribution)

EnergyN Inc.
High pressure bellows H₂ compressor

Top Prize Winner(H₂ Utilization)

VINSEN CO.,LTD
100kW Marine Hydrogen Fuel Cell

H₂ Innovation Award 2025 Winner

Excellence Award Winner(H₂ Production)

Wintech Energy Co. Ltd.

Microwave plasma technology to produce clean hydrogen and carbon without carbon dioxide production

Excellence Award Winner(H₂ Production)

G-Philos Co., Ltd.
100kW PEMEC SYSTEM

Excellence Award Winner(H₂ Production)

AES Tech
Ammonia Electrolysis
(ammoNOVA)

Excellence Award(H₂ Storage & Distribution)

OPmobility
High Pressure Vessel equipped with
Health Monitoring technology

Excellence Award(H₂ Storage & Distribution)

SLENO CO.,LTD.
Hydrogen Safety Monitoring System

Excellence Award Winner(H₂ Utilization)

KMCP
EL-KUS Hydrogen Fuel Cell
Hybrid Propulsion Boat

Award Ceremony
